

Wingate Global Equity Fund - Hedged

Monthly Update

November 2017

We believe the most compelling way to compound investors' wealth is by utilising multiple return sources to deliver superior risk-adjusted investment outcomes

- Long-term compounding of investor wealth
- Multiple sources of return
- Quarterly distributions
- Risk focused investment mindset
- Currency hedged

The investment process behind the Wingate Global Equity Fund - Hedged takes a high conviction, value biased approach to construct a portfolio of high quality, large cap companies from around the globe. Our unique investment methodology harnesses the benefits of consistent income generation and capital appreciation to grow investors' real wealth. The Fund reduces the impact of foreign currency movements by hedging underlying exposures.
