

We believe the most compelling way to compound clients' wealth is by utilising multiple return sources to deliver superior risk-adjusted investment outcomes

- Long-term compounding of investor wealth
- Multiple sources of return
- Quarterly distributions
- Risk focused investment mindset

The investment process behind the Talaria Global Equity Fund – Hedged reduces the impact of foreign currency movements by hedging underlying exposures. The Fund takes a high conviction, value biased approach to construct a portfolio of high quality, large cap companies from around the globe. Our unique investment methodology harnesses the benefits of consistent income generation and capital appreciation to grow investors' real wealth.
